

KIDS GO GREEN

GREEN WEEK CHALLENGE • APRIL 17-22

Take the Green Week Challenge and learn about easy ways to go green!

HOW IT WORKS:

1. Complete 5 of the activities below between April 17-22 to earn a free Frisbee! Complete a bonus activity for a surprise!
2. Email photos of yourself completing the activities to green@olemiss.edu.
3. Check off your completed activities and bring this card to the Oxford Community Market on April 25 from 3 -6 p.m. to redeem your prizes.

Reuse & Recycle		Mealtime		Go Outdoors!	
<input type="checkbox"/>	Recycle three recyclable items!	<input type="checkbox"/>	Try a new fruit or veggie.	<input type="checkbox"/>	Draw a picture illustrating what you love most about nature!
<input type="checkbox"/>	Create a craft from a recyclable material! <i>(Idea: Try using toilet paper rolls, glue and yarn to create binoculars for bird watching!)</i>	<input type="checkbox"/>	Take a photo with a farmer at the Oxford Community Market!	<input type="checkbox"/>	Find two leaves and do a leaf rubbing. Compare the differences between the two.
<input type="checkbox"/>	Have a picnic without creating waste.	<input type="checkbox"/>	Plant a seed.	<input type="checkbox"/>	Take a walk through Bailey's Woods.
<input type="checkbox"/>	Bonus: Start a nature journal. Begin by sitting outside quietly for 10 minutes. Record what you see, hear, feel and smell.		<input type="checkbox"/>	Bonus: Attend the Strawberry Plains Audubon Center's Earth Day Celebration. Visit greenweek.olemiss.edu for more event info.	

Parents: For educational resources, tips on completing the activities and more details, visit greenweek.olemiss.edu.

Teachers: Encourage your students to participate. One lucky class will win a popsicle party!
